MASTER OF APPLIED ECONOMETRICS
Assoc. Professor Jenny Lye

WELCOME TO THE WORLD CLASS
THE DISCIPLINE

• Why study applied econometrics?
• Careers in econometrics
• Trends in research and practice
The Master of Applied Econometrics is a two year program that focuses on the practical application of econometric modelling techniques. It combines coursework and research components to equip graduates with the skillset required to guide and inform economic decision making in a data-driven manner. The course will provide a comprehensive curriculum covering core microeconomics and macroeconomics and a suite of econometrics offerings including time series analysis, financial econometrics, microeconometrics, macroeconometrics and structural econometric modelling.
COURSE PLANNING

The MBS Course Planning website contains important study planning information for your program.

VISIT THE COURSE PLANNING SITE FOR INFORMATION ON:

- Subject selection
- Class registration
- Advanced Standing
- Recommended study plans
- Student Support

fbe.unimelb.edu.au/students/mbs
GET THE MOST OUT OF YOUR STUDIES AT MBS

• Plan your studies
• Be an active learner
• Do your reading and class preparation
• Ask questions in class
• Participate in team activities
• Follow assessment guidelines
• Read your university emails - they contain important information
• Approach staff if you need help

REMEMBER:
• We want you to succeed and are here to facilitate your learning.
• The more you put in to your studies, the more you will get out!
Be an active learner

Workload

Every student should devote no less than **9 hours study per subject** per week outside of the classroom.

A full-time study load of 4 subjects per semester requires at least **48 hours study per week** (12 hours in class + 36 hours outside of class).

Study Skills

The University’s **Academic Skills** team provide online resources, workshops and individual tutorials to improve your study skills and help you reach your academic potential.

Visit the website for more information: [services.unimelb.edu.au/academicskills](http://services.unimelb.edu.au/academicskills)
The Master of Economics is designed to be completed in two years of full-time study and requires completion of 200 points (16 subjects).

First Year
- 7 Core subjects
- 1 Constrained-choice elective

Second Year
- 2 Core subjects
- 4 Constrained-choice electives
- 2 Capstone subjects

Students enrolled in the Master of Applied Econometrics who are either unable, or who choose not to continue with their studies, may be eligible to exit with a Graduate Diploma in Applied Econometrics. Students must have successfully completed a total of eight Year 1 subjects from the Master of Applied Econometrics, comprised of three core economics and five core econometrics subjects.
TIPS ON CHOOSING ELECTIVES

- Identify the subjects you have an interest in
- Check pre-requisite requirements
- Challenge yourself!
Contacting Academic Staff

Program Director
Associate Professor Jenny Lye
E: jnlye@unimelb.edu.au
P: 8344 3783

Subject coordinators

- Subject co-ordinators will advise you on how you can contact them and/or what their consultation times are in the first week of classes
- All staff email addresses can be found using the University’s online directory directory.unimelb.edu.au
What is Advanced Standing?

Students who have completed **undergraduate-level** subjects that are equivalent to compulsory MBS subjects (foundation or core subjects), may be granted subject **exemptions**. This does not reduce the number of subjects a student must complete, but allows them to take electives in place of the exempted subjects.

Students who have completed **graduate-level** studies that are equivalent to compulsory MBS subjects may be offered **credit**. Credit **does** reduce the number of subjects a student must complete.

If you have been granted Advanced Standing:

- This will be stated in your letter of offer for the program
- If you have received an exemption, contact Stop 1 to have the exempted subject replaced with an elective
ADVANCED STANDING

All students are assessed for advanced standing when they apply for admission to an MBS program.

If you haven’t received advanced standing but believe you are eligible, you may submit an application for a second assessment online: students.unimelb.edu.au/admin/credit

IMPORTANT: Applications for advanced standing should only be submitted once, prior to commencing your program.

Application requirements

Applications for advanced standing must include the following supporting documentation:*  

- Academic transcripts  
- Detailed subject outline/s from a published university source (e.g. university handbook) for the year you completed the subject.  
- Documents in a language other than English must be translated by a certified professional translator.

*Students who completed their prior studies at UoM do not need to submit supporting documentation.
CREATING YOUR CLASS TIMETABLE

• Students must enrol in subjects for the whole year
• Once enrolled, you must register in classes for Semester 1
• To register, log into the student portal my.unimelb.edu.au and select your preferred classes from the options available

PLEASE NOTE:

• If you are unable to register for an elective because classes are full or clash with another subject, you must choose a different elective.
• If you are unable to register for a compulsory subject because classes are full or clash with another compulsory subject, log a registration enquiry.

Trouble registering in classes?

Log a CREM Request: students.unimelb.edu.au/admin/registration
My Unimelb

My Unimelb is your personal portal to your enrolment (study plan) and email. It can be accessed at my.unimelb.edu.au using your University email account username and password.

After your have completed your online enrolment, you can use My Unimelb to register for classes, change subjects and even update your address details.

You will need a UoM student card for administrative transactions, proof of identification for exams, access to study spaces and your library account. You should have your student card with you whenever you are on campus.

**How to get your student card**

You will need to:

1. Complete your course enrolment, including enrolling into subjects.
2. Upload your photograph via the CaptureME portal.
3. Wait for a confirmation email (this can take up to 24 hours). The email will let you know how to receive your student card (i.e. via post or collection).

Further information: students.unimelb.edu.au/admin/student-card
