***Year Two Econometrics subject

Students who have completed [ECOM90013 Econometric Techniques](#) in the first year of their Masters are permitted to enrol in [ECOM90005 Advanced Econometric Techniques](#), [ECOM90007 Macroeconometrics](#), [ECOM90008 Microeconometrics](#), [ECOM90010 Bayesian Econometrics](#) or [ECOM90011 Financial Econometrics](#). Students who have not completed [ECOM90013 Econometric Techniques](#) in the first year of their Masters must do so in year two.

Electives

Please see the list of approved Master of Economics electives at:
handbook.unimelb.edu.au/view/current/!MC-ECO-SPC+1000

You will need to check the *Handbook* to ensure you have met the subject pre-requisites.

Capstone Subject

**** Students must enrol in both Parts 1 and 2 of the Economics Research Report in consecutive semesters.

Students who have already completed a research project/component that accounts for at least 25% of their year's work during a four year Honours degree in economics, may be eligible for an exemption from [ECON90071 Economics Research Report Part 1](#) and [ECON90072 Economics Research Report Part 2](#). An exemption will normally only be considered if a grade of at least an equivalent University of Melbourne H2A (75%) was achieved and if the four year Honours degree in economics was completed no more than two years prior to entry into the second year of the Masters program. Students who are eligible for an exemption from [ECON90071 Economics Research Report Part 1](#) and [ECON90072 Economics Research Report Part 2](#), will be able to choose 2 alternative 12.5 point subjects in consultation with the Master of Economics Academic Program Director.

Please see the program structure outlined in the online
Handbook: <https://handbook.unimelb.edu.au/view/2018/MC-ECO>

What do I need to do next?

Once you have reviewed your recommended study plan, you will be required to complete your online enrolment. Students commencing in Semester 1 are required to enrol in subjects for the full year (both Semester 1 and Semester 2).
